VISUAL COMMUNICATION
PHOTOGRAPHY & ILLUSTRATION

---

01 / PROFILE

Bachelor of Design student at the University of Auckland working across photography, illustration, visual communication and digital design. I develop ideas through research, drawing, image editing and iterative layout, with an emphasis on clear composition and process documentation.

02 / EXPERIENCE & SELECTED PROJECTS

## Independent photography practice

Beijing / 2024 - present

- Plan personal and collaborative photography projects.
- Develop lighting, composition and visual direction for portrait and conceptual images.
- Retouch photographs and refine colour in post-production.

## RE.TOGETHER

Product design / UX/UI / 2026

- Designed a clothing-donation app.
- Conducted user research and planned features and user flows.
- Built interactive prototypes and refined the interface through user testing.

## “Echoes Through the Ages”

Exhibiting member / Exhibition assistant
Toronto, Canada / 2023

- Supported exhibition preparation and on-site delivery.
- Assisted with artwork installation and presentation.
- Exhibited personal artwork in the show.
